Needham–Storey–Wampner is a family owned and operated business that has proudly served Grant County and the surrounding areas since 1892. We believe that every life is special and deserves to be remembered. We are committed to serving all with dignity and compassion. To that end, we offer a diverse array of goods and services which are sensitive to the personal preferences and financial situations of those we serve.

Please feel free to ask the members of our staff for further explanation of our services and charges. The goods and services shown within are those we can provide to our families. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Payment Policy

Because we have an obligation to the community to see that our business continues to operate in a fiscally responsible manner, and to ensure that our prices remain reasonable and affordable, we offer the following payment options.

Unless the funeral bill is being paid with an existing prepaid trust or a verifiable insurance assignment, payment is expected prior to services being rendered and prior to publication of the obituary.

Certain services may qualify for Veterans Administration, State, or County Benefits. When appropriate, we will discuss these benefits with you and assist in preparation and filing of any required paperwork.

Cash Advance Items

As part of our services, we offer to assist in the planning and purchase of goods and services provided by third parties. **Payment for these items is expected at the time of arrangement.** Occasionally, we will only have an estimate of some of these amounts at the time of arrangement. The purchaser will be responsible for paying the actual costs of these items. Cash advance items paid by credit card or insurance assignment will incur a 4% service fee (minimum fee of \$125 for insurance assignment under \$5,000).

Forms of Payment

Prepaid Funeral Trust or Insurance Trust: If the services have been prepaid either at Needham-Storey-Wampner Funeral Service or at another funeral establishment, no payment is expected. If additional items are requested at the time services are rendered, payment for those items is expected prior to services being rendered.

Insurance Assignment: Our staff is happy to assist you with any life insurance claims that need to be made. Oftentimes, the insurance company will honor an assignment, whereby the funeral bill is paid out of the insurance funds. Simply bring your policies to us, and we do the rest.

Cash or Check: Cash, personal checks or cashier checks are acceptable forms of payment.

Credit Card Payment: We accept Visa, MasterCard, Discover and American Express as acceptable forms of payment.

Third-Party Financing: We will be happy to refer various third-party finance companies to assist with a funeral bill. Because we are not regulated like the banking industry, we cannot establish credit terms and arrange for payment plans.

Outer Burial Container Price List

These prices are effective as of Sep. 3, 2019, but are subject to change without notice.

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements. Vaults are designed to resist the entrance of outside elements such as water, air, dirt or other elements.

Disclaimer of Warranties: Needham-Storey-Wampner Funeral Service makes no representations or warranties regarding the outer burial containers listed below. The only warranties, expressed or implied, granted in connection with the outer burial containers are the express written warranties, if any, extended by the manufacturers thereof.
